

**Sepulveda Basin Wildlife Consortium
Minutes August 27, 2002**

Attending were Glenn Bailey, Steve Hartman, Muriel Kotin, Joyce MacKinnon, Chair Rosemarie White, and Sandy Wohlgemuth.

The issue is the request from San Fernando Valley Audubon for \$2,500 for the environmental education program for the 2002 - 2003 school year. The Consortium has approximately \$39,000 presently.

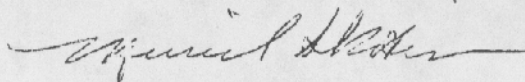

Steve H supports the request but also encouraged Muriel to seek grants from foundations. She will. Glenn agreed but investigated and thinks that this could be difficult for now. He would like us to prioritize the needs for the consortium funds. Rosemarie would like to stipulate that if Muriel is to return to the Consortium for future funds, she indicate what attempts she has made for matching funds at that time. Glenn has discussed with Margo Murman the possibility of asking the education coordinator to help make grant applications.

It was moved, seconded and passed unanimously to approve the request for \$2,500 for the education program for 2002-2003.

It was also moved, seconded and passed unanimously to request the RCD to help us raise funds. Rosemarie and Glenn will coordinate on her sending a letter to RCD.

The possibility of meeting at 6:00 p.m. before the September Steering Committee meeting to discuss membership and priorities updates. (This was later overridden by scheduling a tour of the Wildlife Area for Trevor Daley.)
